Feedback Survey Results

On 25-26 April the 2nd Mission Arena brought together nearly 200 participants from Estonia, Finland, Latvia, Lithuania, Sweden and beyond to discuss, collaborate, and vote on the future of their region and the Baltic Sea.

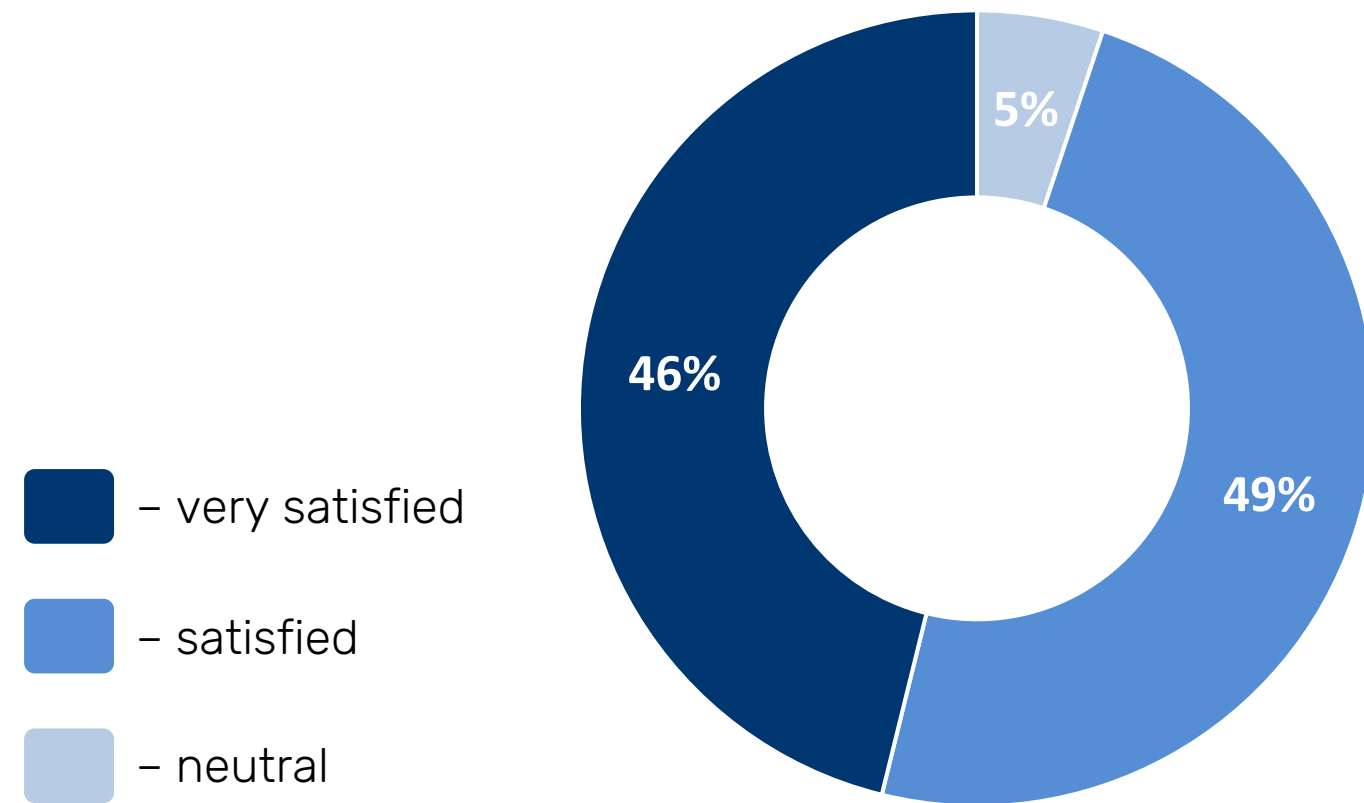

Following the 2nd Mission Arena, we carried out a survey to gain insights into the participants' experience of the event and gather feedback for the following Mission Arenas. The result show that the majority of the participants were satisfied with the event. They noted the relevance of all sessions and workshops of the Arena, and highlighted the possibility of meeting interesting people at the event. Most importantly, 74% of the participants indicated that during the Arena they discovered innovative solutions and ideas that they plan to further implement in their work and projects.
